TOWARDS A COMMUNITY OF PRACTICE

DISCUSSION

ICPAC

TOWARDS A COMMUNITY OF PRACTICE

Discussion

1. Why should the media, meteorological agencies and other partners in the region constitute a community of practice on weather and climate communication?

TOWARDS A COMMUNITY OF PRACTICE

Discussion

2. What would be your preferred channel of participation in the proposed community of practice, given that **Slack, Telegram and Facebook** can be technically integrated allowing for flow of information and exchange of ideas?

Please provide reasons for your choice.

TOWARDS A COMMUNITY OF PRACTICE

Discussion

3. How frequently should meetings of the proposed community of practice be held? Explain your choice.

- **Weekly**
- **Monthly**
- **Quarterly**

THANK YOU!
